5. Open a Word document and complete the following assignment:
 - a. Research and write a one page Word document double-spaced and 12 point type summarizing the five W's:

Who:
What:
Where:
Why:
When:

Research using Google sports injuries on the web and list at least five (5) (other than football) sports that can cause brain injuries.

Discuss (your opinion) if the Simbex product could help reduce brain sports injuries in each of the sports that you have researched.

Research using Google other studies or companies that are developing products that are similar to Simbex's product.

**Write your review, file name: football_YourName.
Keep a copy in your Tech Monday/Tuesday folder and upload a copy to the class inbox.**
