World Intellectual Property Day

April 26, 2011

On April 26, 2011, WIPO celebrates World Intellectual Property Day. The theme of World IP Day this year is "Designing the Future".

All organizers of events to mark the Day are welcome – and encouraged – to download and use the outreach materials below or to develop their own, adjusting the theme where necessary.

- Message from Director General Francis Gurry 
- Poster (2.5 MB)
- Postcard

Internet Domain Name Disputes: Some Questions and Answers

In a Word Document, create a summary:

- what WIPO is,
- who sponsors the organization,
- what is their goal,
- what countries support the mission,
- what is World Intellectual Property Day
- give details on what Domain Name Resolution process is.

Details, details, details!

Do not cut/paste your responses. 😊 Save the document as
