

About the Authors

Mark Evans is the Program Coordinator for Educational Technology and an Administrative Contact for the Texas Virtual School Network, Klein Independent School District (Houston, Texas). He provides Technology Applications Curricula support for grades K–12. Mark has received principal certification from the state of Texas as well as training as an online instructor for the Texas Virtual School Networks. He is an online instructor for the University of Phoenix, Axia College. Mark has published articles in journals such as *TechLearning.com*, *Organization for Educational Technology and Curriculum*, and the ISTE's *Leading & Learning with Technology*. He holds an MA in Education in Curriculum and Technology from the University of Phoenix, and has over 25 years of experience in the field of K–12 education.

Michael Hamm is an interactive designer with over 12 years of experience in the creative field. Based in Seattle, he works as a product designer and also provides freelance design services through his company ClayEdward Design. His work has been published in *Graphic Design Portfolio-Builder: Adobe Photoshop and Adobe Illustrator Projects*, *WebWorks: Typography*, *The Adobe Illustrator CS4 Wow! Book*, and *Layers Magazine*. Michael has served as a technical editor on several design books. He is also an Adobe Certified Instructor in Adobe Illustrator and is the founder, designer, programmer, and writer of the online graphics blog Points&Paths.com. He holds a diploma in graphic design from the Art Institute of Houston.
